

Vision Statement

Our agency provides individual and academic support, prevocational training, supported employment, and life skills coaching specializing in serving persons with Intellectual and Developmental Disabilities (IDDs) and their families to support development and achievement.

+ Direct Support Professionals

At the heart of our success is the extraordinary team of Direct Support Professionals (DSP). We believe in building strong relationships and genuine connections.

Each DSP is held to our high standards, who must:

- Pass a written skills proficiency test
- Clear police and criminal background checks
- Participate in monthly continuing in-service educational training classes
- Have excellent previous employer references
- Adhere to the agency code of ethics & conduct
- Take pride in a professional appearance

EROS Services, LLC can provide the skill set, experience, and one-on-one care appropriate for clients with various levels of care needs.

What Is DDD?

The Division of Developmental Disabilities (DDD) provides public funding for services that assist New Jersey adults with intellectual and developmental disabilities, age 21 and older, to live as independently as possible.

The Division of Developmental Disabilities (DDD) has been funding services for state residents with developmental disabilities since 1959.

The division was created in response to the need for better and more effective services for state residents with developmental disabilities.

A trusted provider of DDD services that are tailored to meet your individualized needs.

EROS Services, LLC is fully licensed and insured to conduct business throughout New Jersey.
